Happy New Financial Year to everybody!

We have themed this issue "Disha" as the coming months are all about giving our companies direction inside and outside the office.

As always we have lots of news and updates for you from our group companies.

Hindustan Composites had a fantastic show at the 12th Auto Expo Component 2014, Asia's largest Auto Fair held at Pragati Maidan in New Delhi from February 6 to 9, 2014. Our stall was appreciated by both domestic and international buyers.

The Compo team showed their team spirit by participating in the Mumbai marathon in January.

The J.L Morison corporate website now has a new look. Do log on to www.jlmorison.com to check out our latest products, where to buy, financial updates and for any other information you may need about the company.

A group of top managers from our Health Care Division visited Dr. Wild & Company's head quarters in Basel, Switzerland. They had an interactive session with the Wild family and also got a tour of their Emoform factory.

At Partner Brands Division the yet to be launched addition to our repertoire is Shahnaz Hussain's Fair One cream for men and women. The product will be available in the market starting June 2014.

Morisons Baby Dreams participated in the annual Child Baby and Mother Expo at the NEC grounds in Mumbai in April 2014. Our stall was visited by retailers, distributors, importers and mothers who appreciated our wide range of products and affordable price points. We launched our new range of Mommy products and premium sippers at the expo.

Our very talented design team created the first print ad for Morisons Baby Dreams that was seen in the CBME broucher and will subsequently be seen in our ad campaign for our new range of Mommy products.

Looking back this has been an exciting year for us with lots of new products, markets, business verticals and team members. We are now braced for FY 14-15 and the challenges it has in store for us!

I would like to thank each and every one of you from the bottom of my heart for your tireless effort in making the Rasoi Group who we are today!

Happy Reading and Happy Selling!

Best wishes.
