

RASOI GROUP INHOUSE BULLETIN

# CANVAS

VOL: 13-3 / JULY - OCT 2013

*Happy  
Diwali.*

It gives me great pleasure to announce that we will henceforth be producing our in-house quarterly magazine CANVAS out of Mumbai. This magazine was started back in 2006 by our Chairman Shri Raghu Mody.

What started as a small gesture to keep employees informed about the happenings in each of our group companies, it has now generated interest across the globe! I am proud to say that copies of Canvas are mailed far and wide to USA, Europe, and the Far East!

Coming to more recent times, Rasoi Court had two high profile visitors- H.E. Mrs. K.O.Fong Wen- Poorun Senior Chief Executive in the Office of Prime Minister of Mauritius and the outgoing Italian Consul General in Kolkata Mr. Joel Melchiori accompanied by his wife. They were hosted by our Chairman.

Our auto components company Hindustan Composites Ltd. signed a landmark Joint Venture with Japan's Advics Co. Ltd. called Compo Advics India Pvt. Ltd. to make automotive asbestos free disc brake pads. The ground breaking ceremony took place on August 29, 2013 at the Aurangabad factory.

JL Morison has taken on a new partnership to distribute Titan's new fragrance line SKINN.

In other JLM news Varunn and I had the pleasure of being hosted by our longest standing partners – WILD and Co. on our visit to Basel, Switzerland – a relationship which has been continuing for well over 50 years.

And last but not the least Morisons Baby Dreams has a very special announcement which I will let Luv & Khushi do the honors for!

I would like to take this opportunity to wish you all a very Happy Diwali and Prosperous New Year. May Goddess Laxmi bless us all in our pursuit of the "Creation Of Wealth", a term wisely coined by our Chairman!
